WORK HISTORY

Sept 00 – Jun 01
[HPE Print and Design // Pickering](#)
Role: Design / Reprographics
Worked as the main designer of two, but also worked on the reprographic side where I picked up a great knowledge of the print industry especially the four colour print process and plate making.

Jun 01 – Jan 02
[Events Office // Large outdoor event promoters Pickering](#)
Role: Designer
This was a great opportunity to work on many different projects all over the UK ranging from poster design

Jan 02 – Jan 03
[Travelled the world.](#)

Jan 03 – Jul 04
[Apartment Luxebar & Restaurant // Newcastle](#)
Role: In House Designer
Work with them for the first year of opening. In that time helped, with my very innovative drinks menus, gain them get the Theme National Award for 'Best New Bar 04'.

Jul 04 – Dec 04
[Travelled the world. Again!](#)

Dec 04 – Jan 06
[Brompton School – Scarborough](#)
Role: Teachers Assistant Sports/ Information & Computer Technology
This was a school for badly behaved boys. I was employed to help them with ICT and to take a lot of the after school activities which included cycling club and an introduction to design.

Jan 06 – Sept 06
Role: Freelance Designer // Newcastle
A move back up to Newcastle saw me taking on a lot of work for many different bars, clubs and restaurants. Clients included many bars/clubs in the north east but also some from London area as well.

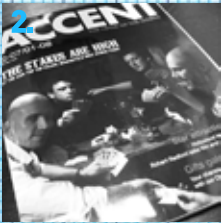

Sept 06 – Oct 08
[Karbon Media Ltd // Newcastle](#)
Role: Director / Designer
Due to my work load I set up the company Karbon Media and took on some extra staff. This soon grew quickly and my new found management skills grew as well. In its two years of running I learnt huge amounts about running and managing a small business both good and bad.

Oct 08 – Present
Role: Freelance Designer // Newcastle
Back as I freelancer I am now using my 9 years experience and consider myself a lot better designer and self managed person. I am picking up new client all the time including Barnado's Charity & Arc Visual Arts Centre to name a few.
